RE: Madilyn Golden

To the Don Diego Scholarship Selection Committee,

It is my absolute pleasure to write a letter of recommendation for Madilyn Golden. During the 2021-2022 school year, I was more than fortunate to work with Madilyn in my AP Statistics class. I have been lucky to witness Madilyn demonstrate an array of incredible skills, among them being collaboration, critical thinking, communication, and her kindness. All these skills and more make Madilyn an incredibly valuable asset to any program.

In AP Statistics, the curriculum asks students to tackle real-world situations and apply statistics and stochastic processes. Students not only have to learn various statistical methodologies but they also need to have the hard work, diligence, and willingness to collaborate. Madilyn has always risen to this occasion. When given a difficult task, Madilyn consistently and diligently took them head-on, asked questions when she needed to, and helped her peers when given the chance.

Outside of my class, Madilyn has worked hard in many other capacities. Madilyn not only has a 4.3 GPA, taken a plethora of AP and honor classes, and studied vocational courses in Animal Science and Agriculture, she has also worked several jobs and was a member of incredible teams in her extracurricular activities. Her work experience is impressive. She is a boarding assistant at Shadow Ridge Veterinary Hospital, an Admin Assistant at Go to Crew LLC, and Animal Care Assistant at Fallbrook High, and also is a nanny for the community. As for

Fallbrook Union High School District

extracurriculars and activities, she served on the National FFA Organization working as President and Vice President, overseeing and working on not one but four important teams, wrote for our school's newspaper the FHS Tomahawk, is a part of the California Scholarship Federation, the Fellowship of Christian Athletes, Varsity Cheer, Varsity Gymnastics, and volunteers at K-9 Guardians and REINS Therapeutic Horse Ranch. With all of that, Madilyn has collected many well deserved accolades, including Miss Fallbrook 1st Princess, Miss Teen Fallbrook 1st Princess, Student of the Month, Distinguished Honor Roll, State Finalist for FFA Public Speaking, Fallbrook Rotary Club Student of the Month and FFA State degree recipient. Madilyn's experience almost speaks for itself. She is no doubt an incredible force in our community.

Madilyn has so many great qualities. I consider myself lucky to have been able to be Madilyn's teacher. Being able to witness her enthusiasm, dedication, critical thinking, sense of community, and sheer kindness she exudes every single day is a privilege among teachers. With all of her strength's in mind, I cannot recommend her enthusiastically enough. Madilyn would make a phenomenal candidate for the Don Diego Scholarship Selection.

If you have any questions, feel free to contact me via email or phone.

Sincerely,

Amylene Grace Cabrera
