To whom it may concern:

I am pleased to write the following recommendation for one of my students, Alyssa Arias, in support of her application for the Don Diego FFA scholarship. As Alyssa's science, math, and music teacher at Julian Union High School for the past 4 years (and her ASB advisor for the last year), I have gotten to know her and have seen first hand that she is a very hardworking, academically driven, and compassionate student who I am sure will achieve great success in all her future pursuits.

Alyssa has always been an absolute pleasure to have in class, consistently showing up with an attitude which is every teacher's dream and always ready to learn. Alyssa gets along very well with her peers and exudes the qualities of a natural leader. Alyssa's commitment to improving the school community is clear, serving in the ASB and FFA for all four years of her time here, currently serving as the vice president of the FFA, while also serving as Teen Miss Julian. In FFA Alyssa has planned banquets, competed in speech competitions, and, on two occasions, she has raised pigs for the Del Mar Fair. She has competed in Prepared Public Speaking over three years and has been invited to the Southern Region Public Speaking Competition twice. She has also been part of the CO-OPS team for two years and competed for Best Informed Greenhand when she was a freshman.

Academically, Alyssa is a high achiever in every sense of the word: There are not many students who can achieve the 4.3 GPA which Alyssa currently holds, let alone holding such a high grade while also maintaining so many involvements outside of the classroom. Alyssa's passion for learning, improving, and helping others has always been an inspiration to me as a teacher and ASB advisor. I firmly believe that Alyssa has an extremely bright future and she will be a credit to the Don Diego FFA Scholarship or any scholarship lucky enough to count her among their recipients.

Sincerely,
